SUBJECT: Cancellation of Project Clearences

1. In reviewing a recent IBM run of Project cleared consumications personnel, we find a number of individuals who no longer require Project clearance. It is requested, therefore, that appropriate action be taken to debrief these individuals. The list below also includes personnel who are no longer connected with the Agency, But whose names nevertheless appear on the IM run.

2. Another list of Communications personnel who no longer require Project clearance vill be forwarded in the near future.
